I don't know. This is the first I heard of it.

BTW, there's talk of needing at least a part-time Finance Chief for the Gold King Mine response. Things are hopping on that!

Just curious... do you know if others applied for this? I'd be interested to know what kind of interest that position generated. Seems like it was announced and selected very quickly. Did Missy select him or James?

Colleagues,

Please join me in welcoming Tyrone Hoskins as the Regional Strategic Planner. Tyrone will be joining the Regional Planning Network as Region 6's Strategic Planner while Dannell Brown embarks on a 120 day detail in the Budget Section as the regional FTE Coordinator.

Tyrone is an experienced Environmental Protection Specialist with over 15 years of program experience. Please welcome Tyrone and provide him your support and cooperation as he gets acclimated to his new duties as a planner.
